

Royal Pepper Protein is a high quality shrimp liquid feed improving shrimps' health and stress resistance.

Royal Pepper Protein is ideal to be used during the difficult stages such as the Zoea - Mysis - PL transition, Zoea syndrome and post larvae stress.

- Facilitating assimilation and digestibility
- Fewer mistakes while dosing, guaranteeing a correct feed distribution
- Liquid feed mitigating water pollution and ensuring a better environment
- High assimilation and digestibility
- Ideal for Zoea and Mysis
- Easy to use

NUTRIENT	VALUE	NUTRIENT	VALUE
Moisture (%)	55.0	Sodium (%)	10.0
